

CERTIFICATE of CONFORMITY

Certification No.: 212525850-2018/001

Below is the specification of the specified product, Meets the requirements of the contract with TUV Teknik, approved according to inspection results.

Product:	Remote Control Systems
Design Type:	EN-MAX
Trade Mark:	ELFATEK
Model & Type:	EN-MAX Power Supply (Transmitter): 3 V Power Supply (Receiver): 110VAC // 220VAC // 380VAC Operating Temperature: -25 +85 (Transmitter) // - 40 + 85 (Receiver) Safety Functions : IP65 // Receiver: Cat II Transmitter: Cat III // SIL 3
Manufacturer :	ELFATEK ELEKTRONİK MAKİNA OTOMASYONU SAN. TİC. LTD. ŞTİ. Modesa Sanayi Sitesi 10735 Sk. N0:10 Karatay / Konya TÜRKİYE
Standard(s):	EN 300 328 V2.1.1 & EN 62479:2010
Test Report No:	SZEM170400280101 // SZEM170400280101CR SZEM170400280102 // GZES171202088701
Controlling :	Besim BOZDAŞ

Valid Until : **17.07.2021**
1.Assessment Date : **17.07.2019**

This certificate belongs to the product mentioned above. This certificate is to confirm that the sample tested is in accordance with the above requirements. This certificate is valid for 3 (Years). Annual audits will be performed.

Istanbul, 17.07.2018
